4. 1. Draft as below:

1. It is not stated to what particular month it remitter the arrears pertain.

2. The period the farm was auctioned, when the farmer ran away & when coercive measures were taken are not stated Records.

3. As the deputed farm Rs 72-9-9 (318-12-0 minus 246-2-3) it is inferred that he must have kept the farm for less than three months. There were then only 7 months allowed to elapse in which making attempts to get the farmer to compound to the conditions accepted by him. in the way of vigorously enforcing Condn I of the Agt.

4. In addition to the heavy loss entailed by dilatoriness in enforcing the rules there was a further loss of Rs which considering that the period (7 months) is the best for realizable for consumption of Toddy is not satisfactory. Bungles

5. In addition to the months Khist to be taken as security which it was enjoined in Nos Rs

7. that security to the extent of three months Khist should be taken in addn for each farm. It is not stated why this was not done

6. The present application pertains to the year 1892/93. There were then 20 months allowed to elapse since the date of the Sale & 17 months after the close of the year elapsed to write off the amount as irrecoverable is objected.

Excise Commissioner's Office
Bangalore, 27th September 1894.

From

The Excise Commissioner
in Mysore

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

I have the honor to submit, herewith a Remission Statement from the Deputy Commissioner, Shimoga District for Rs 151-4-3, being the irrecoverable balance due by the defaulting Toddy Vend Farmer Ramanna of the Kyamati circle in the Honnali Taluk for the year 1892-93, and to request that under the circumstances explained by the Deputy Commissioner in his Note at the back of the Statement, the amount may be ordered to be written off the accounts.

On questioning the Deputy Commissioner why the Farm was not resold soon after the defaulter failed to work

out

out the Farm and to pay the first months' Kist, the Deputy Commissioner explained that some time was lost in making attempts to get the Farmer to conform to the conditions accepted by him.

I have the honor to be,
Sir,
Your most obedient Servant,

Stubbs
Excise Commissioner
in Mysore

Explanatory Note:—

Nyanitty Toddy vend Farm of the Hornad
Taluk was sold by the two Special Officers for the yea
1892-93 for Rs 300/- (exclusive of local cess) to one
Arundé Ramanna, the highest bidder, who paid
the usual deposit of Rs 79-11-4 (inclusive of the
Cess) as his security, but failed to work out the
Farm and to pay up the monthly instalments. Some
time was lost in making attempts to get the Farm
to Conform to the conditions accepted by him, and
then the vend farm was resold for Rs 47/- (exclusive
of local Cess) for the remaining 3 months in the year viz January
to March 93. The property of the defaulter was sold
for Rs 37-13-9. This with the amount of the deposit
and the resale of the Farm making a total of
Rs 167-7-9 was credited to the Treasury. The
balance viz Rs 151-4-3 is irrecoverable and the
defaulter a pauper from whom no other security
was taken under the new system. Hence the
remission recommended.

H. Rahmann K.B.
Deputy Commissioner

Under the circumstances explained in the above, the recipient of R. 151-4-3 is sanctioned by Dy Collr 4.

The Special Officer who collected the arrears should have solicited themselves with the solvency of the purchaser who defaulted eventually.

This should be pasted as a caution in future sales by Dy. Commr. who should watch the Farm more promptly

The Excise Comr in Mysore
The Comptroller in Mysore

Read

Ltr:

His Letter No 1512 Dy 27-2-45 with the Excise Comr's 153 Mysore forwarding for sanction a Revenue statement for Rs 151-4-3 being the recoverable balance due by the Doddy Vand Farmer of Nyamti circle, Honnali Taluk.

observe as follows:—

(1) It not stated to what particular month or months the arrears pertain.

(2). The period the Farm was worked when the Farmer was ousted & when coercive measures were taken are not recorded.

(3) As the defaulter paid Rs 72-9-9 (318-12-4 annas

246-2-3)

he ought not to have been allowed to keep the farm for more than 3 months, whereas

7 months odd more were allowed to elapse in simply "making attempts to get the "farmer to conform to the "Conditions accepted by him" as stated by the Dy. Com., instead of vigorously enforcing Condition I of the Agreement at the outset.

(4). In addition to the heavy loss entailed by dilatoriness in enforcing the Rules, there was further loss at the resale of Rs 22/10/9 which considering that the period (Jany to March) is the most favourable for the Con-sumption of Toddy, is not Satisfactory.

(5). In addition to one month's Kist to be taken as Security in Cash, it was enjoined in Pros: No 1353-64 / Dt 202 Dy 16th Feby 1892 that Security to the extent of three months

which should be taken in addition to the month covered by the Sequestration in Cash from each Farmer. It is not stated why this was not done by 31st May 92 as enjoined in the said Order.

(6) The present application for remission pertains to the year 1892-93. More than 20 months allowed to elapse since the date of the resale, and 14 months after the close of the year, ere Sanction to write off the amount as irrecoverable was made.

(7). Sanction to recall the fact does not appear to have been solicited as Enjd under conditions by the Agreement.

I ——— which should receive special attention in future.

¶ 2. With the foregoing remarks, Govt Sanction the remission of Rs 151-4-3 and authorize its being written off in the accounts.
